

A photograph of a modern multi-story building with a facade of square tiles in shades of grey and brown. The building features large glass windows on the right side. The sky is overcast with grey clouds. The text 'LOGAN HEALTH' is mounted on the upper part of the building facade. The word 'LOGAN' is in a large, white, serif font with a green swoosh under the 'A'. Below it, 'HEALTH' is in a smaller, white, sans-serif font.

KEY CONTACTS

Thank you for choosing Logan Health for the care of your patients. This reference guide is designed to assist you in accessing our broad range of medical and surgical specialties.

LOGAN HEALTH ONE CALL

(833) LOGAN4U | (833) 564-2648

Our team of registered nurses is available 24/7 to facilitate timely communication for acute telemedicine consults, provider-to-provider consults, direct admissions, and transfers. The One Call team partners with A.L.E.R.T. and specialty transport teams to coordinate flight and ground transports as needed.

NURSE ON CALL

(406) 890-7272

Logan Health's Nurse Call Line is available from 7 a.m. to 7 p.m. seven days a week. Patients can call to speak with a nurse who can help evaluate their needs and connect them with health resources.

ASSIST

(406) 758-1437

The ASSIST program helps connect patients with community resources including financial assistance, meals, social service needs, home care, transportation and more.

ABOUT LOGAN HEALTH

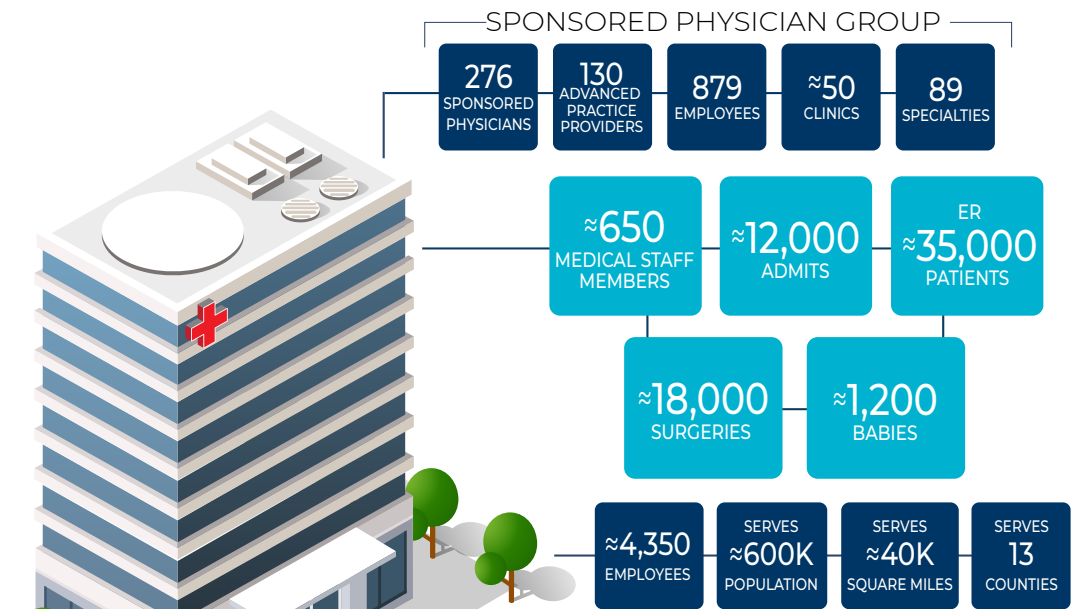

Logan Health is a nonprofit, 578-bed health system located in the iconic Flathead Valley of northwest Montana. While the main medical campus is located in Flathead County, Logan Health draws from a total service area covering 13 counties, nearly 40,000 square miles and a population of more than 600,000. The health system consists of five hospitals, more than 40 provider clinics and a host of other health care services, including the nation's first rural air ambulance service (A.L.E.R.T.), which it has maintained for more than 40 years. More than 4,300 physicians, nurses, health care professionals and support staff work together to provide patients and their families with a positive, proactive, patient-centered experience. Founded in 1910, Logan Health has provided exceptional care for more than 100 years to the communities it serves. Throughout its history, the organization has continued to grow and evolve with the growth and changing needs of the communities it serves.

Logan Health – Children’s

350 Sunnyview Lane

PHONE: **(406) 752-5111**

Opened in the summer of 2019, the 190,000 square foot Logan Health Children’s facility was created to provide local access to high quality pediatric specialty care close to home, including the largest group of fellowship-trained pediatric specialists in the state. Highly skilled, highly trained medical staff, nurses, therapists, social workers and other health care professionals deliver pediatric care in an environment appropriate for children. With 30 inpatient beds including a Neonatal Intensive Care Unit, a Pediatric Intensive Care Unit and an acute care pediatric unit as well as dedicated spaces for family caregivers, Logan Health Children’s has become a pediatric healthcare destination, saving the lives and improving the health of children across Montana.

The hospital serves Pondera County and surrounding communities providing emergency care, acute care, laboratory services, imaging services, rehabilitation, skilled swing bed services, sleep studies and more.

HOSPITALS & FACILITIES

Logan Health Medical Center

310 Sunnyview Lane

PHONE: **(406) 752-5111**

Logan Health Medical Center, the flagship hospital of Logan Health, is a 150-bed acute care regional referral center, offering a full spectrum of healthcare services one might only expect of a large metropolitan area. Logan Health Medical Center is especially well known for its programs in cardiovascular care, oncology, neuroscience and spine care, orthopedics, women's health, surgical care, pediatrics and behavioral health provided by more than 500 physicians and 4,000 employees. Steeped in a rich and rewarding history, Logan Health Medical Center believes in advancing medicine and enhancing care for all the communities and people we serve.

SCHOOL-BASED HEALTH CENTERS

Logan Health and area schools are partnering to create access to quality health care without needing to leave their school campus. Services available to students, staff and faculty include preventive care, acute health care, chronic care, mental health services and health education. We currently have school-based health centers in Columbia Falls schools, Bigfork schools, Somers Middle School, Lakeside Elementary School, Cayuse Prairie School, and Fair-Mont-Egan School.
