# Class Description

**Aqua Zumba:** Aqua Zumba keeps the Zumba Fitness workout party going in the pool. At the same time, your muscles will work in different ways as you deal with the resistance of the water rather than gravity.

**BIKE TO BARRE:** Get the best of both, cardio on the bike and strength and conditioning using the bike as your barre.

**BOOT CAMP:** Interval, strength training with speed and agility drills, power and plyometric drills and calisthenics.

**BOOT CAMP BARRE:** Cardio and strength fused with exercises using the barre.

**BOOTYBARRE:** Pilates, Dance + Yoga style class for strength and conditioning.

**CARDIO PUMP-**Muscular strength and endurance with cardio training class using free weights, body bars, the bar system, tubing and stability balls.

**CYCLING:** High energy cycling. Please bring a water bottle. No saving of bikes.

**FLEX & BALANCE:** Gentle class with stretching, balance, mobility and some light strength work.

**Grief Yoga-**participants need to pre-register for this class through home options, and ask for Terri.

**HYDRO FIT:** Cardio and muscle strengthening workout using a variety of equipment and varying water depths. This is a great calorie burner without the impact on your joints. **J-**

**WALKING:** meet in the lobby upstairs. All levels of walkers are encouraged to participate. Walking takes place around our campus.

**SAIL: Stay Active and Independent for Life** Class includes aerobic, static and dynamic balance, upper and lower body strength

training with adjustable cuff weights, and flexibility exercises as well as fall prevention education.

**PILATES:** Slow movements designed to strengthen tone and challenge your core muscles. Relieve stress and increase flexibility.

**PI-YO:** muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility advantages of yoga. We crank up the speed to deliver a true fat-burning, low impact workout.

**POWER PUMP:** Based on high intensity exercises for power, endurance, and strength. A group strength training, class using free weights, body bars, the bar system, tubing and stability balls. Core training included.

**RESTORATIVE YOGA:** Release, recovery, relaxation, and greater flexibility are accomplished close to the ground, no flow or standing postures.

**Tai Chi:** Develop balance, strength, relaxation and improved respiration and circulation with graceful movement, deep breathing, and mental concentration. Learn at your own pace.

**Tai Chi (Advanced):** After learning the foundation movements, join us for the advanced movements.

**YOGA:** Reduce stress, strengthen and tone muscles and improve flexibility using classical postures and breathe awareness techniques.

**YOGA - GENTLE:** Beginner level yoga. Improve flexibility using basic postures and breathe awareness techniques.

**ZUMBA:** A fun dance aerobic workout using Latin dances with easy to follow routine.
