United Healthcare Children's Foundation

- <https://www.uhccf.org/>
- The United Healthcare Children's Foundation (UHCCF) is a 501(c)(3) charitable organization that provides medical grants to help children gain access to health-related services not covered, or not fully covered, by their family's commercial health insurance plan. The Foundation embraces and supports the concept of facilitating access to health-related services that have the potential to significantly enhance either the clinical condition or the quality of life of the child and that are not fully covered by the available commercial health insurance plan. The Foundation provides financial assistance toward the family's share of the cost of medical services.
