

Members: How to Register for Swim Lessons

Logan Health Fitness Center

Welcome to our swim program! To ensure a smooth registration process, please follow these steps. Because our system uses individual profiles for safety and waivers, **your child must be linked to your account by our staff before you can register them.**

Step 1: Access Your Online Parent Account

1. **Visit our Portal:** Go to logan.org/aquatics

ONLINE PORTAL

2. **Start the Process:** Log on using your username and password.
 3. **Password.** If you can't remember your username or password, click [**Forgot Password**]. If that doesn't work, call Member Services at 406-751-4107 and we will update your email on file and reset your password. Please do not create a duplicate account.
-

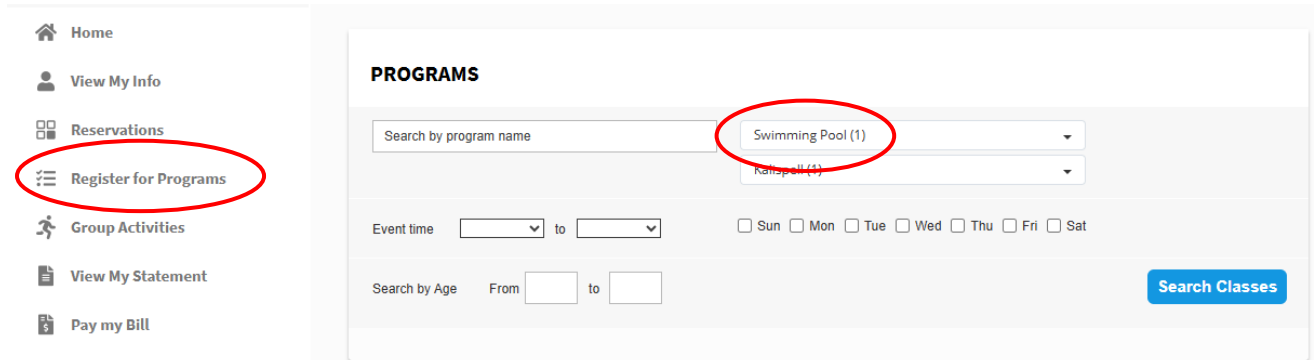

Step 2: Link or Add Your Child

If you cannot see your children on your account, a staff member must manually connect them to your profile. Be aware that only the primary on the account can see the children's profiles.

1. **Call the Membership Office:** Call us at 406-751-4107. Please do not call the front desk, the membership office is the team that can help you.
 2. **Request the Link:** Tell the staff member: *"I need to connect or add my children to my account as dependents for swim lesson registration."*
 3. **Confirmation:** The staff member will create the child's profile if needed and link it to yours.
-

Step 3: Register for Swim Lessons

1. **Log In:** Sign in to the portal.
2. Click the down arrow next to your name to change profiles. Go to the child's profile.
 - o *Note: If your child's name doesn't appear, your accounts are not yet linked. See Step 2.*
3. **Find the Class:** Select “**Register for Programs**”. Then select “**Swimming Pool**”

The screenshot shows the user interface of the Logan Health portal. On the left is a navigation menu with items: Home, View My Info, Reservations, Register for Programs (circled in red), Group Activities, View My Statement, and Pay my Bill. The main content area is titled 'PROGRAMS' and contains a search form. The search form has a text input for 'Search by program name' and a dropdown menu currently showing 'Swimming Pool (1)'. Below the search form are filters for 'Event time' (with dropdowns for start and end times) and a day selection row with checkboxes for Sun, Mon, Tue, Wed, Thu, Fri, and Sat. At the bottom of the search form is a 'Search Classes' button and a 'Search by Age' section with 'From' and 'to' input boxes.

4. **Select Desired Swim Class:** The available classes will come up. (Make sure you are under your CHILD'S account, as they are age restrictive)
5. **Payment:** Sign the digital waiver and complete the checkout process. You will receive a confirmation email immediately.

For account questions, please contact Member Services at **406-751-4107**.

For swim lesson questions, please contact the Aquatic Supervisor at **wrichards@logan.org** or **406-751-4141**.
