

Pediatrics Advocacy

Advocacy Resources Advocacy ATLAS

- <https://geneticalliance.org/>
- Online Advocacy ATLAS is a toolkit created by Genetic Alliance, Parent to Parent USA and Family Voices that provides individuals with special health care needs and their families with tools and strategies to advocate for whatever they may need. Resources for: Access to Healthcare, Accessibility, Communicating About Your Health, Advocacy Leadership, Insurance and Financial Assistance, Transition to Adulthood, etc.

Beach Center on Disability

- <https://beachcenter.lsi.ku.edu/beach-home>
- A great place to find out what you can do to take action for special needs children in our world today. There is also a lot of information with which to educate yourself about different special needs that some children have.

Family Voices

- <https://familyvoices.org/>
- A great website for information on what's available for families of children with special needs. Also provides ways to contact government officials regarding special needs children.

Hali Project

- <https://www.thehaliproject.org/>
- The HALI Project is a tax-exempt, 501 (c) (3) organization established in 1999 to help families of children with special needs face their unique challenges. Our mission is to inspire people with special needs and their families through teaching and encouragement; and to improve the quality of services these families receive.

Pacer Center

- <https://www.pacer.org/>
- Champions for Children with Disabilities, PACER Center is a parent advocacy site covering a wide variety of topics for special needs kids including education; community support; training for parents; bullying prevention, financial planning and teen transition to employment.

Parents, Let's Unite for Kids (PLUK)

- <https://writemypaperhub.com/mtpluk-org.html>
